Subject Line: **Change to DNV address and Accreditation on your certificate**

Dear Customer,

We are writing to inform you of an administrative change to the FSSC 22000 certification you hold with DNV.

To enable better harmonization within DNV, we have moved the accredited for FSSC 22000 to our Global Food and Beverage Hub in Italy. With this change, the accreditation body for this service has moved to Accredia

Due to this change, DNV is issuing new certificate as in attachment, detailing the new address of the DNV office [DNV Business Assurance Italy SRL] and the accreditation details [Accredia].

This does not impact your certification in any way, as there is no change to the technical management or operation of the certification scheme. The validity of your certificate is unchanged; it will still be effective until the expiry date.

In summary, there is no action for you to take except to display your new certificate upon receipt.

If you have any further queries, please contact your local DNV office.

Best Regards,

DNV

Solvino Bianchini
